How to use

Your mini kit: 4 pages to fill in, ready to print

1 Print

A4 file (Europe, Africa…) or US Letter (USA, Canada). Print at “actual size” or “100%”, in color or with the ink-saver version.

2 Every day

Print as many copies of the daily page as you need (30 for the month). Write the day number and the date yourself.

3 For the whole month

The prayer tracker and the reading plan each fit all 30 days on one page. Why some things appear twice: the daily page is a detailed summary of each day, while the trackers on pages 4 and 6 give you a quick view of all 30 days. Use either one, or both.

4 Meals and groceries

One page covers 6 days: plan the menus, then check off the grocery list at the store. Print 5 copies for the month.

Tip: on a tablet, the contents lines and the tabs on the right edge are clickable.
